DAY 01: ALLENBY BRIDGE – MADABA – MT. NEBO – PETRA

Upon arrival at Allenby Bridge, our representative will meet you and will assist you with visa arrangements and passport checking. Your driver will be waiting for you and will take you to visit **Madaba**. Known as the “City of Mosaics”, Madaba is the cultural epicenter for Byzantine and Umayyad mosaics. Just a short distance from the capital, visitors are just a stone's throw away from the holy monuments of religious iconography. Proceed to and explore Mount Nebo which is significant because of its role in the Old Testament. The Bible says that Mount Nebo was where Moses lived out his final days and saw the Promised Land, which he would never enter. It is believed he ultimately died nearby. “Then Moses went up from the plains of Moab to Mount Nebo, the headland of Pisgah, across from Jericho, and the Lord showed him all the land.”(Deuteronomy 34:1). Lunch at a local restaurant and hotel in Petra overnight.

DAY 02: PETRA VISIT – WADI RUM

Breakfast at the hotel, explore the ancient city of **Petra**, one of Jordan's national treasures and by far its best known tourist attraction. Petra is the legacy of the Nabataeans, an industrious Arab people who settled in southern Jordan more than 2,000 years ago. Admired then for its refined culture, massive architecture and ingenious complex of dams and water channels, Petra is a UNESCO World Heritages Site and one of the new Seven Wonders of the World. Inhabited by the Nabateans, Edomites and Romans, Petra brought together the knowledge and skill of these civilizations to create this world wonder. Caravans laden with incense, silks, spices and other exotic goods would rest at Petra. Lunch at local restaurant, head to Wadi Rum, transfer to your Camp, enjoy traditional dinner cooked under the ground "Zarb" after that overnight at your dome tent gazing the stars!

DAY 03: WADI RUM 02 HRS JEEP TOUR – AMMAN DOWN TOWN – AMMAN

Breakfast at the camp and then you will explore **Wadi Rum**. There are uniquely shaped massive mountains that rise vertically out of the pink desert sand, which separate one dark mass from another in magnificent desert scenery of strange breathtaking beauty with towering cliffs of weathered stone. Wadi Rum is the valley of the moon according to Lawrence of Arabia. Here you will have the opportunity to experience a Jeep tour 4x4 for 2 hours and explore the most spectacular sites of the area ending with a cup of tea made by Bedouins. After your visit, proceed to your camp in Wadi Rum and return to Amman where you will visit the King Abdullah Mosque (outside visit), Bazaar and craft shops. Everywhere you look there is evidence of the city's much older past! After your free time down town you may join a cooking class at Beit Setti and learn how to make an Arabic feast. Cooking your own homemade dinner in one of the oldest neighborhoods in Amman. Come meet your very own teta and let her Jordanise you. Starting with a main course, followed by a salad then a side dish and finally a dessert "by beit setti", after that transfer to your hotel in Amman for overnight.

Breakfast at the hotel, transfer to Amman Queen Alia International Airport for departure.
